PRECISION PRINTING TECHNOLOGY

Precision printing is inspired by photography and materials from environment. Our technology reproduces every detail, even the fine lines that are too small for the naked eye. The rich tones and exquisite beauty created by advanced technology are what set design ADAWALL apart from the rest. In order to capture the detail in our original drawings and re-create them as wallpaper, our designs are printed using the gravure technique, which is a world class printing method for achieving maximum detail and tone.

100% PURE WATER BASED INKS

High quality and precise printing begins with the finest ingredients. Water based inks from Netherlands and Korea realize superb color reproduction plus environment friendly manufacture. What completes 100% pure water based inks is the GSE color dispenser, which provides optimized dispensing solutions.

CYLINDERS DESIGNED TO DELIVER PINPOINT ACCURACY

Precision printing can only be utilized with precisely engraved print cylinders that replicate even the minutest details. Embossing sheets of nonwoven and paper back using a steel emboss roller and paper ball work in conjunction with each other.

STRICT QUALITY CONTROL SYSTEM

ADAWALL's extensive expertise in quality management enables the production of the World's Finest Products. The process of quality is supported by specialized line inspector. Specialized line inspectors are check at key sections to support the process of quality management, which is capped by a rigorous final inspection. All the finished products are put to test and trial application.

ENVIRONMENTAL RESPONSIBILITY

At the ADAWALL factory, we are aware of our responsibilities to the environment and also we are wholly committed to improving manufacturing processes in line with this. We choose to work only ethical and accredited suppliers' products and we make business decisions based on the impact on the wider, global environment. The selection of ingredients is critical in creating a truly premium product too.

WALLCOVERING PASTES

Eco-Friendly

Adawall Special Premium Wallpaper

POWDER ADHESIVE

Powder wallcovering paste to use for all kind of wallpapers; Heavy and light wallpapers, Non-woven and Paper-back wallpapers. Contains methyl cellulose. Efficient and transparent once dried.

It can be used to enhance the adhesive bonding force and improve resistance to water of standard wallpaper adhesives.

1kg / 5kg / 10kg

Çoğu kez şehrin gri tonlarından ve mono tonluğundan kaçmak istiyoruz. Bunu geçici bir boyuttan kalıcılığa taşımak artık mümkün. Ormanın derinliklerindeki renk cümbüşü artık çok daha yakınımızda, salonumuzda, mutfağımızda, yatak odalarımızda ve ofislerimizde...

Günlük yaşantımıza devam ederken; tropik ve amazon ormanlarının bize hissettirdiği heyecanlı karışık rahatlık hissi, daha kaliteli bir yaşam ve daha sakin bir ruh hali için hiç de küçümsenmeyecek bir öneme sahip.

Ağaçlar ve bitkiler renklerini yeşil bir dansla harmanlar. Yaban hayatı bu rüya gibi doğada güneşle saklambaç oynamak için büyür. Bu görkemli ve göz kamaştırıcı panoramik kataloğumuz; pamuklu gökyüzü, doğanın yeşili ve hayvanlarıyla yatıştırıcı huzurun doğal rezervini süsleyen çok çeşitli pastel tonlarıyla boyandı.

AdaWall, özenle tasarlayıp renklendirdiği bu kataloğunda kayıp bir cenneti, uzaktaki maceraları vadediyor. Posterlerdeki manzaralar bizi yemyeşil bitki örtüsüyle ormanın kalbine sokuyor, unutulmuş bir rüyanın tatlılığını yeşilin tonlarıyla birleştiriyor.

Amazon koleksiyonu; evinizi enfes bir orman kokusuyla dolduruyor, büyük boy bitki ve hayvan resimleriyle iç mekanları ferah bir ormana dönüştürüyor. Siz yalnızca gözlerinizi kapatın ve doğanın şiirsel, zarif, ince ve lirik sesine kulak verin...

Most of the time we want to escape from the gray tones and monotony of the city. It is now possible to move this from a temporary dimension to permanence. The color rush in the depths of the forest is now much closer to us, in our saloon, in our kitchen, in our bedrooms and in our offices...

The feeling of comfort mixed with excitement that tropical and amazon forests give us is very important for a better quality of life and a calm mood while continuing our daily life.

Trees and plants blend their colors with a green dance. Wildlife grows in this nature of dream to play hide and seek with the sun. This magnificent and dazzling panoramic catalog is painted with a wide variety of pastel shades adorning the natural reserve of soothing tranquility with cotton skies, green nature and animals.

AdaWall promises a lost paradise and distant adventures in this catalog which is carefully designed and colored.

The landscapes in the posters make us see the forest with lush vegetation. It combines the sweetness of a forgotten dream with the shades of green.

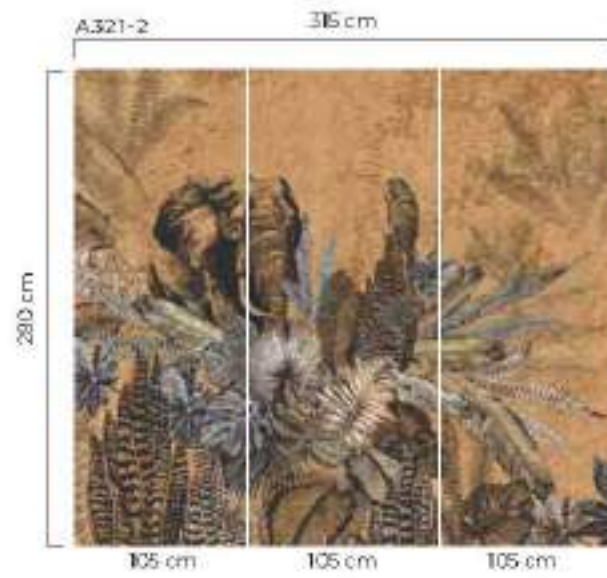

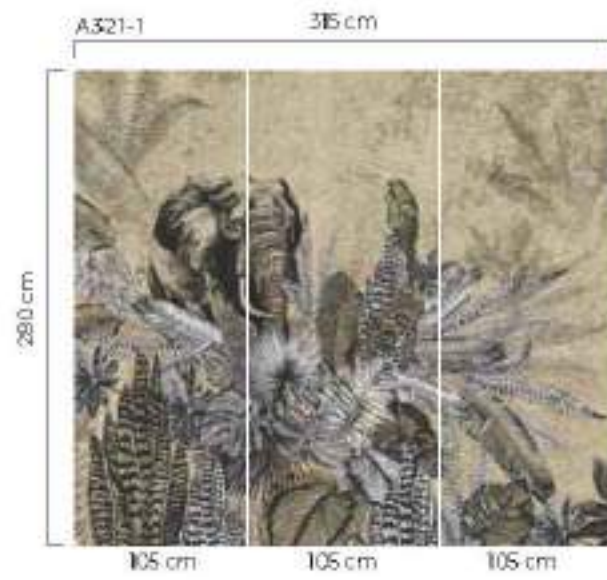

The Amazon collection fills your home with an exquisite forest scent. It transforms the interiors into a spacious forest with large plants and animal paintings. You just close your eyes and listen to the poetic, elegant, subtle and lyrical sound of nature.

AMAZON

The image is a vertical collage-style illustration of a tropical forest. The background is a textured, light brownish-purple fabric-like surface. Overlaid on this are various elements: large, dark brown, almost black, silhouetted leaves with prominent veins, some of which are layered over other elements. There are also patches of green, representing foliage, and some lighter, yellowish-green areas that suggest a sunlit forest floor or a different layer of vegetation. The overall composition is dense and layered, creating a sense of depth and texture. In the center, the word "AMAZON" is written in a white, hand-drawn, brush-stroke style font. The letters are slightly irregular and have a textured appearance, fitting the collage aesthetic. The word is split into two lines: "AMA" on the top line and "ZON" on the bottom line.
